

HE IS STRONG

He is strong, He is mighty
He is powerful, He is holy
He conquered death
When He ransomed me
Defeated Hell & He set me free
His name is Jesus, He's by my side
He walked on water
And calmed the fierce storm
He took five loaves of bread
And fed five thousand men
He healed the sick & made the blind see
He raised the dead & then He died for me
Oh, but then He rose again!

I LOVE JESUS

I love Jesus, & that's a fact
I love Jesus, & that's a natural-born fact
He's always there for me
Anytime I stumble, & even if I fall
He's reaching out His hands
To pick me up again, to put me on my feet

Nothin' to Dread

(Instrumental)

GLORY ADONAI, YOU REIGN

You are the Lord, let Your name be glorified
We give You glory & honor
You are Jehovah,
We will always bless Your name
Adonai, we worship You
Son of God - You are so good
Almighty God, hallowed be Your name
Your dominion is forevermore
Lord, You reign in the heavens
You reign here on earth
El-Shaddai is Your name and You reign

JESUS, LOVER OF MY SOUL

Jesus, lover of my soul
Jesus, I will never let You go
You've taken me from the miry clay
And set my feet upon the rock
And now I know
I love you, I need You
Though my world may fall, I'll never let You go
My Savior, my closest friend
I will worship You until the very end

HEAR ME

Hear me, Lord listen to my cry
Show me the wonder of Your great love
Keep me as the apple of Your eye
Hide me in the shadow of Your wings
Rise up & save me, oh God
As I speak Your word mountains are moved
As I speak...blessings overtake me, Lord
I will call on You, oh God.
Will You answer me?
I will call on You, oh God.
I know You hear my cry

CREATOR

With lifted hands, we lift our voices
With grateful hearts, we worship You
Creator, You are holy.
Let Your glory fill this place
Before You on bended knees
With humble hearts
And now I know my faith in You
Won't let me down, You never fail
Creator of the universe
And every creature great & small
We surrender everything to You, our God

WAY BACK HOME

It seemed so hard to know which way to go
There were so many roads to choose
And looking back I saw just where I'd been
And up ahead was so unsure
But now I'm finding my way back to You
Back to Your ways & Your truths
I've been searching for what's been
Right here all along
*You're the bright & morning star, Jesus
Shining bright You are the way, the truth, & life
Through Your love I found my way
Back home where I belong to You, Jesus*
I had failed so many times
To be the man that I should be
But still Your grace & mercy is what I need
As You're gently calling out to me
Now there's no one else like You
Who could love me like You do
